www.rcdaycamp.com

Since 1995, we've provided safe, memorable summers to thousands of Staten Island children. We specialize in creating a nurturing environment, where campers make friends while building confidence and self-esteem. RCDC's reputation has been built by the exceptional team of experienced directors, counselors and staff who return year after year. Our adult staff is carefully chosen for their enthusiasm and experience with children. They understand their role as mentors and are trained to identify and meet the needs of individual children as well as develop cohesive, spirited groups.

Safety and Supervision

Safety is our top priority. Owned & directed by licensed teachers with decades of camp experience, our adult staff is screened, background checked and trained. We maintain a camper to staff supervision ratio of 8:1 or lower. All of our buses are equipped with seat belts and are operated by DOE, certified school bus drivers. Our camp medical director is a registered nurse, on premises at all times and our counselors are CPR certified.

Facility

Our beautiful, private facility is conveniently located at Mt Loretto- 6581 Hylan Blvd. Its many rustic acres include an indoor, air-conditioned gymnasium, an outdoor pool with lockers, a new splash pad, indoor & outdoor basketball courts, soccer and baseball fields, a media center, & an air-conditioned lunchroom with areas for specialized activities like arts & crafts, gymnastics, dancing and martial arts.

Our Program:

At Richmond County Day Camp, our campers are never bored. We combine traditional camp activities like sports, swimming, arts & crafts, gymnastics and dance with a wide variety of exciting trips and special events.

Value and Convenience

No camp exceeds the affordability & convenience of RCDC. Tuition always includes door-door transportation, extended hours, activities, insurance, 2 camp shirts, and a camp bag and water bottle. Campers can enroll for any amount of weeks, in any order. Flexible payment plans are free and there are numerous discounts available throughout the year.
